

Quaker Gardens Survey 2010

Explore your garden this year and let us come too!

Calling all Meetings!

... and all poets, lovers, growers, sitters-in , users of, and admirers of gardens!

The Quaker Gardens Project QGP is asking all Meetings to join in and tell us how their gardens grow. You can send in photographs, descriptions, plans, stories and poem, whatever you feel best describes your MH Garden and Burial Ground today. You may want to share with others how your garden has developed and changed over time . You may have a favourite season when the garden gives most to your Meeting and your wider community. We will feature as many of these contribution as we can in our Newsletter **and** include them on the new **website planned for Summer 2010** so that we can together build a contemporary picture of our Quaker gardens and burial grounds, their history and how we value them. We need to think about the future too so that, wherever you are in the country, using the website, you will be able to find a Quaker garden to visit, stories and experiences of somewhere you may not have known about at all, a surprise and secret garden! **To join in this survey please fill in the slip below and return it to : QGP c/o Norwich Quaker Meeting, Upper Goat Lane Norwich NR2 1EW.** Contributions may be sent throughout the year by post (address above) or via email to deb@growing-concern.co.uk . Contributions will be acknowledged but we will not be able to return photographs etc so please make sure you send copies and not originals. Thank you and good gardening!
